August 21st, starting at 1:30 P.M. at the beach. In the event of rain the meet will be held the following day at the same time.

The events for girls and boys are: 15-yard free style for those 9 and under; 25-yard free style for those 11 and under; 50-yard free style for those 14 and under; and a 100-yard swim for those 15 and over. There will be an Open Handicap Race of 1 mile. A mixed volleyball tournament will conclude the program.

Contestants in the Mile Swim must have the written consent of their parents, and only Mattapoisett residents are eligible to compete in the meet.

Persons desiring to compete should register at the bathhouse. The trophies that will be presented to the winners at the conclusion of the meet are now on display in the bathhouse.

All swimming classes will be tested starting Monday, August 16th. Swimming certificates will be presented at the close of the Swim Meet for all those who have completed the requirements of the class.

weekly doubleheader.

Race I - The first race, assigned a 2-legged course, was a cliff hanger, if there ever was one! Although the start was not too eventful, with the Beetle Cats spreading out rather evenly as they crossed the line, Dave Jenney soon surged ahead, with Harvey Pentleton's Swamp Fox, Ed Baylow's Lightning Bug, and Mason Smith's M2 in hot pursuit. On the windward leg to Town Anchorage Red Nun "8", the lead seesawed back and forth several times; but as the fleet rounded the marker, it was Dave Jenney first and Harvey Pentleton not far behind. From then on in, tension really began to build up.

A hard-fought tacking duel developed between Jenney and Pentleton along the stretch of this concluding downwind leg. About 20 boat lengths from the finish, Pentleton managed to pull ahead - but only barely to cross the line by just inches. A half second later Ed Baylow's Lightning Bug skimmed in.

Now for the surprise ending! While all this action was taking place, a come-from-behind skipper began relentlessly to pass one Beetle Cat after another, finally edging around Ariel and Swamp Fox. Thus Tricia McCarthy at the helm of Wolf, by a margin of seven seconds, became the victor. Harvey Pentleton's Swamp Fox was in second place and Dave Jenney's Ariel third.

Race II - The course for the second race was a longer, more varied one: again to Town Anchorage Red Nun "8", but also to Molly's Cove MYC Guide Buoy, to Mattapoisett Neck MYC Guide Buoy, and finish.

At the first and second markers Dave Jenney was out front, closely followed by Mason Smith, Harvey Pentleton trailing. Nearing the third marker, Mattapoisett Neck MYC Guide Buoy, Harvey started to move forward and overtook Mason half-way through the last leg, besting him by 25 seconds. The slate then read: Dave Jenney, Harvey Pentleton, Mason Smith - in that order.

Labor Day Block Dance

Because of the favorable reaction to the Block Dance held during Bicentennial Week (we should do this more often!), the Town Bicentennial Committee is sponsoring another Block Dance on Labor Day, September 6th, from 8 to 12. It will be held on Water Street in front of the Mattapoisett Inn. Art Perry's orchestra will play. In case of rain the dance will be held at the high school. No admission will be charged.

Field Day for Seniors

ELDERLY NUTRITION PROGRAM FIELD DAY

David Alves, Director of the Elderly Nutrition Program, would like to extend an invitation to all seniors from New Bedford and surrounding areas to join in the festivities of the Second Annual Field Day of the Nutrition Programs.

The date selected is Tuesday, August 17, and the location is the Holy Ghost Grounds in Dartmouth.

Persons interested in attending this once a year event should be sure to make their reservations as soon as possible at the nutrition sites or by calling the central office at 999-2931, Ext. 305.

For persons without transportation, buses will be available through the Council on Aging, Recreation Department, and SRTA will provide shuttle bus service leaving the central terminal every half hour starting at 9 A.M.

There will be a variety of programs, a chance to re-acquaint yourselves with friends not

Want your home to grow? Or glow?

See NBIS for home improvement money.

Homes are very important to us. And that includes your home.

We've helped thousands of people buy and build homes. And we know that the time comes when a home needs a new paint job...some repairs...or a new room or two, to take care of the needs of a growing family.

When that times comes for your home, we want to help. We've got money available for home improvement loans. Our interest rates are surprisingly low, and we're quick and easy to deal with.

If it's time for your home to grow...or if you want to give it a little extra glow...stop in at one of our six offices. Or call John Henriques at 997-7841. You'll get an answer fast...usually within 24 hours...and usually it's "Yes." At NBIS.

We've helped build a lot of New Bedford.
And we're proud of it.

vividly to life in striking abstract designs in quilts as well as in intricate macrame and origami.

Unusual Mexican pinatas made by Julie Neal, photography by Deborah Hynes, and pottery by Kathy Bruce are just a few of the special offerings the committee has gathered. Local artists such as Sarah Brown of Mattapoisett will be represented as well as some amateur discoveries perhaps being seen for the first time.

Artists and craftsmen professional and amateur are invited to bring entries by today, August 11th, from 10 to 2 or 5 to 7. A small entry fee is charged for 2 large or 4 small paintings, and there is no limitation on craft items. All paintings must be ready to hang.

Awards of merit will be given to artists and craftsmen for creativity and excellence.

Ruah MacNeil is chairman of this lively affair to be held in and around the newly refurbished Art Center made even more attractive this year by the thoughtfully planted Bicentennial Park across the way.

GRANTS FOR GRANGE HALL DISCUSSED

Selectmen and Grange officers met together with Mrs. Priscilla Hathaway to discuss the grants which have been applied for from State and Federal authorities and how best to proceed with repair of the Grange tower which is damaged by leaks. The initial application for HUD Federal funds in the amount of $15,000 has been denied by that authority. A second grant in the amount of $25,000 was applied for while the first grant was still pending. This second pre-application for a "National Park Service Historic Preservation Plan" was submitted in February. Mrs. Hathaway, with the assistance of Executive Secretary Stephen Lombard, filled out this pre-application form. She said that she has called the State office concerned and has learned that the pre-application is still in good standing.

The grant discussion turned to the more immediate concern of the condition of the tower which needs immediate repair to keep water from further damaging plaster and wood in the historic building. Grange Master Dennis Sylvia said that funds collected in memory of the late Master John Figueiredo were available and he felt that it important to proceed at once with this tower repair using the money that the Grange had for the purpose. The question of whether town funds voted at

the last town meeting could be used in concert with Grange funds was asked. Town Counsel Donald Fleming said that the article, as voted, stipulated that matching funds be used up to the $3000 appropriation and that his opinion was that the matching funds could come from the Grange. Mrs. Hathaway said that she was concerned because in presenting the article to the townpeople she had been thinking only in terms of expected State and Federal matching funds. She said that she would be very concerned and upset if the townspeople should think that any deception had taken place. A transcript of the Article as voted was sent for and was read. The transcript reads differently than the printed article in the warrant because it follows the verbal motion of the Finance Committee as follows: "Article 14, Grange Hall Preservation: voted to raise and appropriate the sum of $3000 to be used with matching funds when available for the preservation of the historical site known as the "Grange Hall" located at the corner of Main Street and Fairhaven Road in the Town of Mattapoisett. Unanimous voice vote". Attorney Fleming said that the article specifies matching funds be required with no specific source named and his opinion was that the spirit of that vote would be served if the Grange members were the source of the matching funds.

Board of Selectmen Chairman R. William Blasdale asked Mr. Sylvia to seek bids on the tower repair and return to the Selectmen's office with the information. Mr. Sylvia said that the Grange has $2000 on hand and he felt that the tower repair could be in that

CORPORATE PARK PLANS

George Stein, chairman of the Corporate Park Committee, introduced Ed Clemens and Doug Sinclair, engineers from the firm of Goodman & Howard who made a presentation of plans contracted for as part of a $15,000 HUD grant the application of which was made during the time when George Hall was executive secretary to the Board of Selectmen. The application was in two parts: $4,000 was for landscaping the town owned entrance to the park and for a sign to mark the site; $11,000 was for an engineering study and plans for the site zoned as corporate park on land which is in private hands. The preliminary study and plans show a potential for 24 industrial sites located on a roadway drawn roughly in a figure 8 configuration running east to west from the bound near North Street to the Marion line. The absence of a sewer connection would limit the park to industry with no heavy water consumption. The engineers

estimate 90,000 gallon per day water use which is well within the capacity of the town's water supply. A temporary waste water treatment plant would have to be located within the site to accommodate the industrial plants. The road is planned with a 60 foot right of way containing 36 foot width of road with one sidewalk. The engineers recommend facilities be in buried cable which include phone lines, power lines, etc. It is recommended that a 10 foot tree belt screen the site. Water runoff would be controlled by a retention pond. Studies have located the different soil composition within the site and land designated for building is good compact base according to the study.

Following the presentation, objection was made to scope of the preliminary plans. The objection was made on the grounds that the study should have investigated the feasibility of the park and the possibility of industry locating in Mattapoisett. Mr. Stein said that his committee were far from expert in Industrial Park layout and that, in fact, they would not know how to begin. The committee felt it important to have experts put something solid on paper so that these plans could be presented to potential tenants. Even before this, he stated, the committee had to have some plan to show to the owners of the land since they would have to decide whether to proceed with development of the land. Mr. Stein said that, in addition, the grant

BLOCK DANCE PLANNED

John DeCosta informed Selectmen that the Bicentennial Committee had planned a block dance in answer to many requests by people who enjoyed the dance during Bicentennial Week. This block dance will be held on Water Street between Barstow and Cannon Streets between the hours of 8 and 12 on Labor Day, September 6th. It will be an Old Fashioned Block Dance and Art Perry's orchestra will provide the music. There will be no admission charge. In the event of rain, the dance will be held in the cafeteria of the Old Rochester Regional High School. The dance will be sponsored by the Bicentennial Committee.

PAINTING BID ACCEPTED

Selectmen awarded a painting contract for the police station control center with 2 coats of paint to Searl L. Root of 27 Hammond Street. His low bid was in the amount of $285. There were 2 bids. William A. Wood of Pigwackett Lane, Mattapoisett was the second bidder.

GRANT TO MATTAPOISETT

The U. S. Environmental Protection Agency has awarded the Town of Mattapoisett a $94,005 grant for the development of a facilities plan for water pollution control.

The project is for the preparation of plans and specifications for a pumping station, force main, and interceptor and collector sewers to collect and transport wastewater from Mattapoisett to the existing Fairhaven secondary wastewater treatment plant. The treated wastewater will discharge to the Acushnet River.

When completed, this project will eliminate the existing shipyard park outfall which presently discharges raw wastewater from the center of Mattapoisett to Mattapoisett Harbor.

The total estimated project cost is $161,715.

wood carving. The Festival has limited its exhibits to three of any one craft and these have been screened prior to acceptance to insure the highest quality craftsmanship available in this area.

One unusual and entertaining feature of the Festival will be "Scrub Band Slim", a one-man band in the medicine show tradition. A member of the Boston Street Singers Cooperative, Slim performs on steel guitar, banjo, harmonica, kazoo, nose flute, and an assortment of mechanical foot operated percussion instruments. He always brings along spare kazoos and washboards so everyone can get into the act!

An additional feature will be free rides on a fire truck generously supplied by the New Bedford Fire Department.

Directly across the street from the Festival is the State Pier where the training bark "Eagle" will be docked for the weekend and open to the public. The only square rigger still commissioned in the U. S., the Eagle is the training ship of the Coast Guard Academy. It also served as the flagship for the Tall Ships earlier this summer. The annual Blessing of the Fleet will also be held during this weekend.

Free parking will be provided in the nearby Elm Street Garage on Sunday, August 15th. The Centre Street Summer Festival is being sponsored by the New Bedford Preservation Society in cooperation with the City of New Bedford, the Bristol County Development Council and the Waterfront Historic Area League.

MECA Blood Bank

--- AUGUST 18

The Mattapoisett Emergency Communications Association will hold their second blood bank donation day Wednesday, August 18, from 3 until 8:30 P.M. at St. Anthony's Church hall on Barstow Street. Any person 18 years to 65 may donate. Under 18 written permission from a parent or guardian is needed and over 65 written permission from a doctor is needed. When attending please use the Barstow Street entrance.

The New Bedford Chapter of the American Red Cross will be in charge of receiving the donations and volunteer nurses will assist. Under the Red Cross blood donor program each person who does give a pint of blood ensures COMPLETE BLOOD NEED COVERAGE FOR THEIR ENTIRE FAMILY FOR A PERIOD OF ONE YEAR AND THOSE COVERED MAY BE ANYWHERE IN THE UNITED STATES. In addition, if a donor wishes to have a non-family member covered it may also be done.

A PERSON MAY DONATE BLOOD EVERY 8 WEEKS OR UP TO 5 TIMES A YEAR.

All area residents are welcome to attend. You do not have to live in Mattapoisett to "join the bloodline".

MECA medical officer, Laura Horne, R.N., of Hammond Street, encourages donors to contact her for an advanced preferred time to ensure fast and prompt service. It is not necessary to have an appointment time but

Prenatal Classes

Family Centered Maternity Care will be featured in the series of Prenatal Classes which will be held in the Tobey Cafeteria on five successive Tuesday evenings, August 17, 24, 31, September 7 and 14, at 7:15 P.M. These classes, sponsored by the March of Dimes in cooperation with Tobey Hospital, are offered so that the expectant parents may anticipate the birth of their child with confidence and also to insure the optimum health of the newborn. In addition to stressing maternal health through adequate prenatal care, the sessions will also cover the growth and development of the baby in the womb, labor and delivery, and care of the newborn. Exercises will be taught for an easier birth; breast feeding and family planning will be discussed for after delivery.

Fairfield University and Tufts Medical School. Following Tufts, he spent the next few years at St. Elizabeth's Hospital, Boston, as an intern and resident concentrating throughout in internal medicine.

Married to Kathleen Crownhart of Kansas City, Missouri, a former teacher in special education, he is the father of one daughter, Lori Elizabeth, age one and a half.

A resident of Standish Shores in Wareham, Dr. Gleason finds the practice of medicine in a community hospital as Tobey very rewarding.

STORM APPROACHES

As this issue is being readied for the camera a hurricane alert is bringing boats out of the harbor at a record rate. Hopefully, the activity will be reversed in a day or so with no damage to waterfront and shore homes.
